# Complete Building Renovation!

Caring Place Healthcare Group is pleased to announce a multi-million dollar renovation of Oak Creek Terrace located in Kettering, Ohio. This floor to ceiling renovation has completely transformed our entire building; all patient rooms, beautiful enhancements to the dining room, lobby, and all common spaces. This expansion increased our private rooms from 8 to 33 and have 15 one-bedroom assisted living apartments.

The large patient suites come furnished with a 5-drawer dresser, a night stand, a rocking chair, and an electric bed that can be positioned 7 1/2 inches from the floor. Every patient suite also has a 32 inch flat screen TV. We want families to be comfortable when they visit, so we've added a 30 inch table with two chairs and a loveseat. This arrangement feels more like home and can accommodate multiple visitors.

This renovation features an upscale, comfortable setting for our residents and their families. We have put great thought into all of these extra touches so residents will be proud to call Oak Creek Terrace home.
