My Next Door Neighbor Is A Witch

by Samiya Vallee

My next door neighbor is a witch,
And she lives way down in a ditch.

Her clothing is a little strange,
Because she never wants to change.
She has a black robe and a black hat,
Green skin and a smelly black cat.
A big fat wart grows on her nose,
And seventeen pimples on her toes.

But...her food is EVEN worse,
Because she eats it course by course.
Her first course is seven dead bats,
Laid on top of seven rats.

Then she has twenty flies
With lots and lots of llama eyes.
Her main course is a horrible soup,
Because it's made with doggie poop.

But worst of all is her dessert.
It's little children rolled in dirt.

Last night she had a witch's feast
And turned into a greedy beast.
I think she cooked my best friend Tilly
And ate her with some peas and broccoli.

October is a beautiful month when Fall starts to show us those vibrant colors of red, yellow, orange and some of the fun activities like hayrides and trick or treating. A fun fact about Autumn leaves is that trees that are always in direct sunlight produce red leaves and those trees in partial shade will produce leaves that are yellow, orange, and brown. Planting is important at this time of year because this is when we plant garlic and bulbs for Spring flowers.

There have been songs about the Harvest Moon and it occurs in October as it is closely tied to the Autumnal equinox. Halloween is fun for children and adults. The little ones love the candy and everyone likes to go to costume parties. Halloween is October 31st and has its roots in an ancient Celtic festival of Samhain, where people wore costumes and lit bonfires to ward off evil spirits.

Here at the Lodge we hope to see some trick or treaters or some staff members that come to work in costumes. Happy Fall to all!

*October glows on every cheek,
October shines in every eye,
While up the hill and down the dale
Her crimson banners fly.*

– Elaine Goodale Eastman (1863-1953)

From the Director of Nursing

Happy October, everyone!

Fall is my favorite time of year—there's something magical about the crisp air, colorful leaves, and cozy vibes. And, of course, Halloween is always a highlight! I love watching the little ghouls and goblins dress up and bring joy to our days. It's a wonderful reminder of the fun and creativity that comes with this season.

Fun Halloween Facts:

- Did you know Halloween is over 2,000 years old? As mentioned in Lodge Buzz it originated from the ancient Celtic festival of Samhain, when people would light bonfires and wear costumes to ward off ghosts.
- Pumpkin carving started in Ireland with turnips before pumpkins became the go-to in the U.S.!
- Halloween is the second-largest commercial holiday in the U.S., right after Christmas—so yes, candy is serious business!

October Reminders & Updates:

- **Flu & Vaccines:** It's that time of year again! Please let Angelia or Lori know if you would like your up-to-date flu vaccine, we also recommend COVID, RSV, and pneumonia vaccines.
- **Team Appreciation:** I want to recognize our amazing staff for the dedication and compassion you show every day. Your hard work does not go unnoticed, and it truly makes the Lodge feel like home.

As we move into this beautiful season, let's embrace the warmth, community, and fun that October brings. I look forward to celebrating with all of you, sharing laughs, and of course, seeing some creative costumes!

Warm regards,

Angelia Sweeney
